EDUCATION

University of Maryland, College Park

Bachelor of Science, Aerospace Engineering | GPA: 3.4

Expected May 2029

Honors

2025 - Present

- Honors College, University Honors
- Presidential Scholarship

PROJECT AND FIELD EXPERIENCE

Bevamer R&D for Rover Terramechanics Testing

Neutral Buoyancy Facility, College Park, MD

Student Researcher

March 2026 – Present

- Researching bevamer methods to measure pressure sinkage and shear behavior in granular terrain relevant to rover mobility
- Designing and integrating a bevamer instrument into a rover wheel test rig for terramechanics testing

Rover Wheel Design — Lunar Terrain Simulation

Neutral Buoyancy Facility, College Park, MD

Student Mechanical Design & Test Engineer

Aug 2025 - Dec 2025

- Collaborated on concept selection, modeling (Fusion 360), and rapid prototyping; 3D-printed test wheels
- Conducted traction and slip tests in lunar simulant and documented design iterations

Over Terrain Vehicle

College Park, MD

Propulsion Sub-team leader

Aug 2025 - Dec 2025

- Built a small vehicle for a defined challenge; contributed to design, prototyping, tests
- Led motor selection; soldered motor and electrical connections; laser cut chassis components

Community Garden Project

Westminster Church, MD

Lead

2020 - 2024

- Organized build-out and ongoing operations; coordinated volunteers and logistics
- Proposed and won two \$500 grants from On Earth Peace Foundation and Brethren District to fund the project with peace and justice focus

CERTIFICATION

FAA Remote Pilot Certificate – Small Unmanned Aircraft Systems (Part 107)

Aug 2026

EXPERIENCE & LEADERSHIP

Westminster Church of the Brethren

Westminster, MD

Education Ministry Co-Leader and A/V Support Technician

2020-2024

- Organized monthly meetings to discuss youth programming and community engagement efforts
- Operated and troubleshoot live A/V systems for church services and events (audio board, microphones)

State Farm Internship

Owings Mills, MD

Auto Insurance Sales Representative

June 2023 - Aug 2023

- Assisted clients with policy quotes, coverage options, and supported the office during a targeted sales campaign
- Managed outreach and lead follow-ups (calls/email)

Baltimore Ravens & T. Rowe Price Leadership Institute

Baltimore, MD

Member

Aug 2023 – June 2024

- Participated in workshops with Ravens/T. Rowe Price professionals
- Completed leadership training curriculum and earned certification

SKILLS

Fabrication: Soldering, 3D Printing, Laser Cutting

Programming: Python, MATLAB

Software: Fusion 360, SOLIDWORKS, Onshape, Microsoft Office Suite
